- Make one-time payments or schedule re-occurring monthly payments
- Pay with your checking/savings account or by credit/debit card
- Manage your account details from your phone/computer

IMPORTANT REMINDERS:

- You will need your account number and the amount due on any of your last three bills.
- Online payments do not waive penalties or disconnection fees for past due accounts

We know how busy and crazy life can get for us all so this new option is part of our ongoing commitment to make things more convenient for all our members at Rural Water District No.5. We are always looking for ways to improve service and offer tools that can help make life a little easier. We hope everyone takes advantage of this new service, but we also understand that not every customer has internet access or feels comfortable navigating online tools using a smartphone or computer. If that's the case for you, you're not alone and our office is here to help! We have the ability to create an online account for you right here in the office, so you can still enjoy the convenience of secure on-line bill payments, without needing to log in yourself. Just give us a call at the office and Kelsey would be more than happy to help get you set up!

💳 You can now pay with credit or with debit cards right here in the office or over the phone, just give us a call or stop by the office and we will get you taken care of!

This upgrade is part of our ongoing commitment to making life more convenient for all our members, thank you for being a valued part of our water district family! We're proud to serve you. ❤️
